

2022 MegaSlopeMaster MSM-T4E

Electronically controlled ZTR steering for simple, efficient, super responsive operation.

Powered by Yanmar liquid cooled 72 HP turbo diesel engine.

Mows thick, tall grass, weeds, and brush on slopes of up to 40°

ABOUT

We call it Mega for a reason! The MegaSlopeMaster MSM-T4E is not just the largest mower in our lineup. Coming in hot with a massive 72HP Yanmar turbo diesel engine driving a massive 88" cutting deck, the MSM-T4E is the largest ZTR steep slope mower in the world!

CORE SPECIFICATIONS:

- ✓ 88" Cut Width, 4" to 10" Manually Adjustable Cut Height
- ✓ Dual Speed Propulsion
- ✓ Tilting Operator's Seat
- ✓ SAE J1040(c) ROPS (Roll Over Protection System)

Available Options

- Cab Protection Enclosure
- Air Conditioning (Requires Cab Protection Enclosure)
- Dual Drive Wheels (Required for 40° Mowing)
- Light Kit
- Rotary Beacon

Safety

- Operator positioned rearward to allow for max visibility and safety
- ROPS SAE-1040(c)
- Lanyard connected kill switch
- Brake engages upon engine shutdown
- Patented tip-up stop to prevent rearward rollover

General Info

- Tilting operator's seat keeps operator in upright position on steep slopes
- Dimensions: 162"L, 93"W, 105"H
- Base Wt: 6,400 lbs, fully optioned 7,400 lbs
- Drive Tires: Dual Ag-tread 26x12-12", 4 ply
- Front Casters: 19x6" puncture proof
- Dual speed propulsion
- Mows great on slopes as well as flat terrain

Komfort Kontrols

- Designed to decrease operator fatigue
- Electronic joystick controls
- Faster response, increased efficiency
- Adjustable for maximum comfort & productivity
- Zero-turn-radius (ZTR) operation

Cutter Deck

- 88" cutting width
- Adjustable cutting height, 4" to 10"
- Front mounted, rear discharge
- 3 hydraulically driven, 3/8" blades, available in flat, high lift, and heavy duty (1/2")
- Designed for mowing tall grass, weeds, and brush

Engine

- 72 HP Yanmar water cooled turbo diesel
- Tier 4 Final EPA
- Designed for continuous slope mowing
- Special air filter design for use in extreme conditions
- Dual deck mounted fuel tanks for all-day mowing
