

# 2022 SuperSlopeMaster SSM-T4E

Electronically controlled ZTR steering for simple, efficient, super responsive operation.

Powered by Yanmar liquid cooled 36 HP naturally aspirated diesel engine.

Designed to mow thick grass and weeds transversely on slopes up to 40°.

## ABOUT

The SSM-T4E combines a 36HP diesel engine, a 1/4" steel, 72 inch cutting deck, and easy-to-use Komfort Kontrols electronic steering technology to give you the safest, most efficient slope mowing experience. The hydraulically powered 3/8" inch steel blades make quick work of thick grass, weeds, and even the occasional light brush.

## CORE SPECIFICATIONS:

- ✓ 72" Cut Width, 1.5" to 6.5" Manually Adjustable Cut Height
- ✓ Dual Speed Propulsion
- ✓ Tilting Operator's Seat
- ✓ SAE J1040(c) ROPS (Roll Over Protection System)

## Available Options

- Canopy
- Light Kit
- Rotary Beacon

## Safety

- Operator positioned rearward to allow for max visibility and safety
- ROPS SAE-1040(c)
- Lanyard connected kill switch
- Brake engages upon engine shutdown
- Patented tip-up stop to prevent rearward rollover

## General Info

- Tilting operator's seat keeps operator in upright position on steep slopes
- Dimensions: 120"L, 93"W, 74"H
- Weight: 3,420 lbs
- Drive Tires: Dual Ag-tread 26x12-12", 4 ply
- Front Casters: 19x6" puncture proof
- Dual speed propulsion
- Mows great on slopes as well as flat terrain

## Komfort Kontrols

- Designed to decrease operator fatigue
- Electronic joystick controls
- Faster response, increased efficiency
- Adjustable for maximum comfort & productivity
- Zero-turn-radius (ZTR) operation

## Cutter Deck

- 72" cutting width
- Adjustable cutting height, 1.5" to 6.5"
- Front mounted, rear discharge
- 3 hydraulically driven, 3/8" blades, available in flat, medium, and high lift
- Designed for mowing thick grass and weeds

## Engine

- 36 HP Yanmar water cooled diesel
- Tier 4 Final EPA
- Designed for continuous slope mowing
- Special air filter design for use in extreme conditions
- Dual deck mounted fuel tanks for all-day mowing
